Adam Kemp was an extraordinary man who passed away on April 25, 2007, at the age of 32, from complications due to a heart condition he was born with. Adam graduated from Hardin-Houston School and lived in the community as an adult. Adam was a very proud daddy and has three beautiful daughters. He was an avid car enthusiast and attended and won many car shows locally and nationally. He has touched the lives of many people...We celebrate his life by hosting this car show in his memory, Adam you live on forever in our hearts.
